

The Hands of Hope Golf Tournament is an important fundraiser that serves a number of the many needs of some local charities in Southwest Houston, including the Gulfton area Boy Scouts of America and the VA Hospital Visitation and Appreciation program. We hope that you will consider getting involved yourself personally or as a corporate sponsor. We know in Houston you have many choices of events you can support. We hope you will make the choice to join us June 1 for another great day of golf and fellowship.
